My child, the blood of My wounds is gushing forth upon humanity as I continue to plea to My children to heed to My mercy. The financial collapse is at the door step of America. The hour has come that I will strip the pride that has taken over the hearts of men and they will come to see the Judas' that they have become.

Men will be stripped of their pride as I was stripped of My garments at My crucifixion. This is your hour My children for you do not realize the suffering that is upon your doorstep. My Mother is weeping, My wounds are bleeding and up until now you have failed to recognize My warnings.

Time and distance are no longer and as I have told you before when you see the Earth tremble in Jerusalem know that you have come into the hour of purification. America will suffer for its contin uous greed and its pronounciation against My Commandments. You cannot seek things that are of Me and from Me as I am the only source of love and mercy if you seek to be the hand of justice by removing Me from your way of living.

The angels have been placed in their appointed positions and the wrath of fire will soon fall. The financial collapse will come as a tornado of justice that will come across one nation to another in the blink of an eye. Take heed today My children, for I am Jesus and My mercy and justice will prevail.

My child, the world is about to fold unto itself. I can only continue to weep at the lack of repentance. I can only continue to be scourged when I see so many souls failing to heed to My mercy.

Prepare for the greatest financial collapse is on the doorstep for mankind. I can no longer warn in love, rather allow My children to face the hand of justice. The earth will shake and I tell you to have your blessed candles in place for the light is soon to be extinguished.

I plead to My children to arise from this tomb of darkness that has consumed your souls for consciences will be pierced and even then few will repent. Your lives are soon to be forever changed for the course of humanity has turned and will never again return to be as you have come to know it.

It is time to get down on your knees and repent. Prayer and fasting is the means in which you will draw yourselves closer to Me for I am Jesus. I ask those who hear these words to begin to pray today for your brothers and sisters for many are soon to be caught off guard. Now go forth for I am Jesus and My mercy and justice will prevail.

My child, I say to My children that mankind relies too much upon himself and it is there that you become the victim of your own sinfulness. Heed to the Commandments My children for they are your entrance into the kingdom.

I weep today My children but it is those who are failing to heed to My warnings that will weep tomorrow. The winds of spring will turn into the rising dust of summer as the world will begin to look more like a desert.

Before mankind is able to change the calendar of this time you will have witnessed the financial collapse. It is only those who heed to My warnings that will be prepared. The North will attack the South as the two Koreas become at war with each other.

Jerusalem will shake, America will fall and Russia will unite with China to become Dictators of the new world. I plead in warnings of love and mercy for I am Jesus and the hand of justice is soon to pr evail.
